If you answered true to any of these statements, please consider becoming a member of SLA and learn why all of these statements are false. We need your help to protect the health of Sunset Lake. Our objectives are . . .

- To promote and assist in the development of all matters pertaining to safety, personal and property protection, health, comfort, pleasure, peace, friendship, convenience of the property owners and the protection of the properties in the area, to include over assessment of property taxes.
- To retain the scenic beauty of Sunset Lake and its surroundings, protect the environment and assure that the quality of its waters remains suitable for recreational purposes.
- To establish a harmonious relationship with local and state officials and agencies, whenever possible.
- To support beneficial legislation and protest against legislation adversely affecting the area and its inhabitants by state or local government.
- To recognize that the property owners on Hampstead lakes have many common interests, and need to share and coordinate with each other.
